

LOYOLA MARYMOUNT UNIVERSITY

Thriving in STEM

STEM STUDY SKILLS AND ACADEMIC SUPPORT

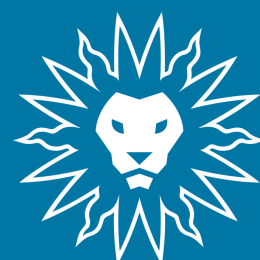

Discover how perseverance leads to success in STEM! Math instructors will share their college experiences, offering insights on overcoming challenges and staying motivated. We'll also discuss how the brain is like a muscle, and how you can strengthen it to enhance your learning and resilience

OCTOBER 17TH

6 PM - 7 PM

FEA 120

Speakers:

- Ms. Isabella Rand - Dean's Office
- Dr. Dave Moffet - Chemistry / Dean's Office
- Prof. Vivian Lezak - Mathematics
- Prof. Mobashera Hallam - Mathematics
